Continuation Sheet

Continuation of substance of interview.

Applicant's representative discussed the difference between the prior art and the instant claimed invention and showed an example of the current claimed invention. Since the prior art was a Japanese reference with only a machine translation, Applicant is going to provide a real translation which will better explain the reference.

Conclusion

1. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alicia Chevalier whose telephone number is (571) 272-1490. The examiner can normally be reached on Monday through Friday from 8:00 am to 4:00 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Harold Pyon, can be reached on (571) 272-1498. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
